## SAMUEL KAISER AT HÔTEL D'EVREUX, PLACE VENDÔME PARIS FASHION WEEK

Paris, France September 19, 2018 — Fashion Week Studio is thrilled to announce that creative and innovative Avant-Garde designer Samuel Kaiser will be participating in the upcoming Paris Fashion Week.

Samuel Kaiser is an extraordinary designer who works with a wide range of reusable materials, in line with the concept of waste minimization and pollution prevention. Recently Samuel has collaborated with MBE Errol Douglas, as well as dressed all Finalists of 2017 Black Hair and Beauty. The "Polarity" show was featured in January 2018 Black Hair and Beauty magazine. "Gveny limited" was launched in January 2018 and is a growing voice in ethical fashion, as the reinvention of the industry diversifies. Samuel's creations will blow you away!

During this show, guests will enjoy an incredible performance by Electronic R&B Singer/Songwriter JABS, who released the track U&ME featuring Willow Smith. JABS admits being shy, but found it possible to express herself through music. She later found herself opening shows for Jaden Smith and released a music video "All Good" in 2017 directed by Jada Pinkett Smith.

The Avant Garde show will begin at 4pm on September 25th at the Hôtel d'Evreux, Place Vendôme.

This event will not be open to the public, please RSVP for the show at RSVP@fashionweekstudio.com
