**PAULINA CANAS HÔTEL D'EVREUX,
PLACE VENDÔME**

Paris, France, September 18, 2018 — The exceptional Chilean leather designer Paulina Canas will be part of Paris Fashion Week, in the Opening Day shows presented by Fashion Week Studio. She will be closing our Ready- to- Wear show.

Canas' designs invite women to experience the pleasure of being in touch with their femininity, sensuality and natural beauty. Her collections offer women's apparel made of three types of authentic leather: goat, sheep and bovine. All pieces of clothing are handmade in Argentina and Chile, Latin America.

Paulina Canas uses bright colors freely and pays attention to details. She creates designs that can easily be worn in both casual and upscale settings, when complimented with light accessories.

Stacy Francis, finalist and fan favorite on the first season of The X Factor will preform for the guests, as well as singer/ songwriter Jabs, who recently recorded music with Willow and Jaden Smith.

This Ready to Wear line will be shown at 11am on September 25th at the Hôtel d'Evreux, Place Vendôme.
